

# Marketing Price Sheet

## **DISCLAIMER:**

PLEASE UNDERSTAND THAT IT IS IMPOSSIBLE TO CONTROL THE SPEED OF REAL ORGANIC STREAMS, but we do guarantee delivery! We have clients who profit off of our campaigns, depending on the quality and popularity of the artist! Numbers can take longer than personal expectations depending on the quality of your music! The mix quality of your beat, vocals, and overall master of your music all factor into the promotion of your music! Due to the nature of the business, we do not allow refunds once payment is received.
